

Leicester High School for Girls is pleased to announce that it has joined forces with local retailers to offer a discount card for parents, governors staff and Sixth Formers.

The School is close to the vibrant and eclectic shopping areas of Stoneygate and Clarendon Park which offer an exciting shopping experience.

Cards will be issued at the beginning of the academic year and only be valid for that year. Users will be able to see the exclusive offers on the School website, as well as overleaf, and will be asked to show their cards at the point of purchase.

We are lucky that our School is in such a thriving and appealing area of Leicester and we are delighted to be working in partnership with local retailers in such a beneficial way.

Please note that the Sixth Form card, which is blue, is not permitted to be used in The Offie or The Classroom, because they serve alcohol.

For more information please contact:
