

**Foundation Class
Curriculum Information**

Whole school 'Wellbeing Week' – Monday 29th – Friday 2nd February.
Please see the school newsletter for details of events.

- As part of Wellbeing Week we will be focusing on feelings during our **PSED** sessions.
- In **Maths** we will be hunting for garden birds and marking them off on a tally sheet. We will then count how many of each type we found and compare totals to use the language - more and less.
- In **Literacy** we will continue activities related to traditional stories. This week we are focusing on the girl's choice of story – 'The Three Little Pigs.'
- In the **Spinney** we will be making bird feeders to make sure our garden birds are looked after during the cold winter.
- Please could your daughter bring in one small item from home that begins with the sound of the week so that we can discuss and share it together in class during our phonics session on Monday.

This week our focus letter sound is 'u'.
