

## Foundation Class Curriculum Information

Half Term week – Monday 12<sup>th</sup> February – Friday 16<sup>th</sup> February

- On Wednesday 7<sup>th</sup> February we will be holding a Chinese New Year activity morning in EYFS. The girls will have the opportunity to look at the traditions associated with this celebration and join in with various activities.
- In Maths we will be reviewing our number work covered this term.
- In Literacy we will be writing in our First of the Month books and using props to retell the story of how the years got their names in China.
- In technology the girls will be exploring toys that have moving parts – cogs, flaps, buttons, levers, etc. If your daughter has a toy that she would like to demonstrate to the class she is welcome to bring it in for show and tell.

As part of our whole school Well-being Week we are giving girls a break from homework this weekend. Please look at the 'Take a break' poster and find an activity you can enjoy together over the weekend. Take photos and stick them in your daughter's homework book so that your daughter can tell us about the activity next week.
