

Reception Class Focussed Observations Information

Half-term week is Monday 11 February to Friday 15 February

As part of our whole school Well-being Week there is no homework this weekend. Please look at the 'Take a break' poster and find an activity you can enjoy together over the weekend.

This half-term's theme is Traditional Stories and the season of Winter.

- Oral story telling – learning to re-tell our favourite traditional story to our friends.

Maths

- Pictograms are simple graphs. They use a number of little pictures to show how many items there are in each row. We will be assembling a simple class pictogram of our favourite stories.
- We will then learn how to do a basic interpretation of the graph. For instance, "How many people like 'The 3 Little Pigs?'" This will involve being able to count, count on/count back from a number and reason.
- Activities that support counting back from a given number.

Other

- On Wednesday 7 February we will be holding a Chinese New Year activity morning in EYFS. The girls will have the opportunity to look at the traditions associated with this celebration and join in with various activities.

Spring 2018 1st Half, week 5, 2/2/2018
