

## Reception Class Focussed Observations Information

Please check that school bags only have a maximum of two key rings,  
one for each zip pull.

Monday 12 March - trip to Brooksby-Melton Farm College.  
Please ensure your daughter is wearing her PE kit.

This half-term's themes continue with Traditional Stories linked with farmyard elements and new life as we move into the season of Spring.

- We will use the computer to find out facts about farm animals we see at Brooksby.
- We will write about what we enjoyed on our farm trip and give a reason.
- We will have the opportunity to watch the Year 3 – 5 production – “Oh What a Knight!”
- Word lists – these will be heard over the next 2 weeks as we are going on our farm trip.

### Maths

- We will be looking at **number bonds** and finding out how many ways we can make a given number and learn how to record our sums. For instance:

Number 5 –  $5+0=5$ ,  $0+5=5$ ,  $4+1=5$ ,  $1+4=5$ ,  $3+2=5$ ,  $2+3=5$

Mathematical language we will be developing:

add plus more makes equals count-on

Spring 2018 2<sup>nd</sup> Half, week 9  
9/3/2018
