

Reception Class Focussed Observations Information

Welcome back to another busy fun-packed term in Reception Class

Bank Holiday Monday 7th May – School closed
EYFS Unit Parents' Class Assembly – Friday 25th May 8.30am

Uniform reminder

The correct summer uniform is a dress, jumper and white ankle socks, not tights.

Sun

Please ensure your daughter has a hat in school.

If you use suncream please apply it at home. We do not do this in school.

The theme this half-term is 'Mini-beasts'.

- The girls are already enjoying watching our caterpillars that we have in class. Over the next few weeks they will be able to observe the life cycle of a butterfly. We will be keeping a Class Diary of events.
- On Monday it is St George's Day and the EYFS Unit will have a day of activities to find out about why we celebrate this day.
- In our outside area we are setting up a garden centre and will begin to sow seeds and water them to help them grow in the early Spring sunshine. Hopefully, these will attract more mini-beasts.
- We will be starting to write facts about our favourite mini-beast, referencing non-fiction books and the web.

Maths

- We will be developing our understanding of the concept of [simple reflective symmetry](#).
- We will be finding objects that are symmetrical and using a mirror to confirm whether they are.
