

**Foundation Class
Curriculum Information**

Welcome back to another busy fun packed term in the EYFS Unit
and a warm welcome our new girl Saarah.

Bank Holiday Monday 7th May – School closed
Foundation Unit Class Assembly – Friday 25th May 8.30am

- Our topic this half term is based around the theme of mini-beasts and the girls are already enjoying watching our caterpillars that we have in class. Over the next few weeks they will be able to observe the life cycle of a butterfly.
- Please bring reading books in to change on Tuesday for next week, as we will be taking part in activities to celebrate St George's day on Monday.
- In our outside area we are setting up a garden centre and will begin to sow seeds and water them to help them grow in the early Spring sunshine. Hopefully these will attract more mini-beasts.
- In Maths we will be creating caterpillars with lots of legs and using these to play a game comparing numbers and using the language:

more / less / fewer / same

Sounds Home Book: (Older girls)

- Please could your daughter bring in one small item from home that begins with the sound so that we can discuss and share it together in class during our phonics session on Monday.

This week our focus letter sound is 'r'.

Summer Week 2 2018
