

Reception Class Focussed Observations Information

Bank Holiday Monday 7th May – School closed

EYFS Unit Parents' Class Assembly – Friday 25th May 8.30am

The theme this half-term is 'Mini-beasts'.

- The girls are continuing to enjoy watching our caterpillars that we have in class. They have been referencing non-fiction books, learning and using interesting words to describe what they are observing. We are keeping a Class Diary of events.
- We will be continuing to write facts about our favourite mini-beast, looking at non-fiction books and the web.
- We will be writing stories about mini-beasts in our First of the Month Books.

Maths

- We will be looking at clocks as a way of measuring time.
- We will make our own clocks so that we become more familiar with the layout and positioning of the numerals on a clock face
- Language that we will be using and developing our understanding of will be:

clock clock-face number numeral

12 hours 24 hours am pm second minute hour day
