

## Foundation Class Curriculum Information

Bank Holiday Monday 7<sup>th</sup> May – School closed

Please can you ensure that your daughter has the correct PE kit – blue T-shirt, shorts, white socks and trainers. We have written in the home/school communication book if items are missing.

- In our topic work the girls will continue to observe the life cycle of a butterfly as our caterpillars are now at the chrysalis stage. The girls also have a wormery to observe and next week will be making a home for snails in the Spinney.
- Please can you send in reading books on Tuesday.
- In Maths we will continue to create models of mini-beasts using construction toys and junk modelling materials. We will then talk about the shapes we can see in our models.
- The girls will continue to practise in preparation for our class assembly on Friday 25<sup>th</sup> May 8.30am – they are all very excited.

### Sounds Home Book: (Older girls)

- Please could your daughter bring in one small item from home that begins with the sound, so that we can discuss and share it together in class during our phonics session on Monday.

**This week our focus letter sound is 'V'.**

Summer Week 43 2018
