The theme this half-term is 'Mini-beasts'.

- It has been an exciting week as all the caterpillars have turned into chrysalises. Hopefully, we will have some beautiful butterflies when we come back to school on Tuesday.
- We will be making group posters about how we can look after our mini-beasts and the environment around us.
- We will be completing our mini-beast stories.

**\*\*Please note that there will be no word lists this week as it is a shorter week due to the Bank Holiday. Perhaps you could revise lists together and make sentences using some of the words.**

### Maths

- We will complete making our own clocks.
- We will play games with our friends challenging them to read the time on our clocks.
- Language that we will be continuing to use and developing our understanding of will be:
