

## Reception Class Focussed Observations Information

Half Term – Monday 28 May – Friday 1 June  
Have an enjoyable break.

The theme this half-term is 'Holidays and Journeys.'

- We will be finding out where we have been on holiday and how we travelled. This will include looking at globes and atlases.
- If you have a picture of your daughter on a family holiday, that you do not mind being placed in her Learning Journey, please would you send it into school. Please annotate the reverse of the picture with the name of the holiday destination and the year it was taken. Would you also talk to your daughter about the picture so that she can share and discuss it in class.

### Maths

Please revise the aspects of maths that we have covered this half-term.

- Simple reflective symmetry, as in butterfly wings or shapes like squares and hearts.
- Time: Days of the week, months of the year and seasons as well as clocks.
- Addition and counting-on: language to use:  
add more plus greater more than
- Subtraction and counting-back: language to use:  
fewer less subtract take away minus less than
