

Reception Class Focussed Observations Information

EYFS Sports Afternoon 2.00pm Tuesday 26th June – we look forward to seeing you
The weather forecast is for sun; please ensure that you apply sun cream to your daughter before she comes to school.

The theme this half-term is Holidays and Journeys.

- We will be considering safety in the sun and ways we can stay healthy. This will link with 'Healthy Week' in school.
- We will be checking on letter formation and that your daughter is using a correct tripod pencil grip.
- **NO Word Lists.** Please revise word lists as we will be assessing over the next two weeks whether your daughter can read and write them.

Maths

- We will continue to revise aspects of number that include addition and subtraction, including the mathematical language and recording.
- Assessments of your daughter's mathematical understanding in number and shape, space and measure will continue to be undertaken until the end of term in preparation for her transition into Year 1.
