

## Reception Class Focussed Observations Information

Please bring in your 'Morsbag', or a suitable alternative next week. This will be needed for the end of the year return of your daughter's work.

Water bottle: Please check that the lid is on securely, the bottle is a reasonable size and named. We are having many leakages in rucksacks.

The theme this half-term is Holidays and Journeys.

- We will be reading non-fiction and fiction texts about the sea-side. If your daughter has any book from home that she would like to bring in and read to the class we would be delighted to share it with her.
- **NO Word Lists.** The final week of revision assessments as to whether your daughter can read and write .

### Maths

- We will be revising our understanding of number bonds (where two numbers are added together to make another number), e.g. ' $3+2=5$ ,  $2+3=5$ '.
- Assessments of your daughter's mathematical understanding in number and shape, space and measure will continue to be undertaken until the end of term in preparation for her transition into Year 1.
