

Reception Class

Communication, Language and Literacy

Back to Front! Over the next two weeks we will be exploring words reflected in mirrors.

'Sounds and Words' book, this will be kept in your daughter's reading bag. Most weeks there will be letters to practice in our cursive script, together with words that join these letters. Once she has practised writing over individual letters please encourage and support your daughter to write them and words independently.

Rhyming: We will continue to look at rhyming words and patterns in poetry.

Maths

Doubling: We will continue to use mirrors to develop our understanding of this concept and how we use it with quantity and numbers.
