

Foundation Class

As part of our topic Is it shiny? we will be looking at and comparing shiny and not shiny objects. Please could your daughter bring in a shiny object from home to add to our shiny display.

Focus letter sound for the week is 'n'.

Please could your daughter bring in one small item from home that begins with the sound so that we can discuss and share it together in class during our phonics session on Monday.

Maths: Focus number is '7'

More Maths - we will be focusing on number work, recognising numbers 1 to 10. We will make marks in sequins with fingers and other tools, attempting to write the numbers.

Diwali Day

Foundation and Reception are going to have a 'Diwali Day' on Wednesday 7th November. The girls will have the opportunity to become involved in different activities, including: creating Rangoli patterns, cooking, food tasting, dressing up, dancing, making diya lamps and Diwali cards.

We will look at short video clips of Diwali celebrations and non-fiction books, encouraging the girls to relate this to their own experiences.

Parents' Evening

Tuesday 6 November

Autumn Week 7

2 November 2018
