

## Reception Class

### Communication, Language and Literacy

Back to Front! We will continue to explore words reflected in mirrors.

'Sounds and Words' book, this will be kept in your daughter's reading bag. Most weeks there will be letters to practice in our cursive script, together with words that join these letters. Once she has practised writing over individual letters please encourage and support your daughter to write them and words independently.

Rhyming: Do you have a favourite rhyming book or poem at home that you could bring to school to share with the class?

### Maths

Patterns with shapes: We will use coloured 2D shapes and two mirrors to investigate and create patterns.

**LeicesterHigh**  
SCHOOL  
FOR GIRLS

### Cooking

Foundation and Reception will start cooking in small groups on Wednesday afternoons.

We will be making firework biscuits.

### Names!

Please name all water bottles and fruit pots.

We are getting extremely muddled with so many girls have the same coloured and shaped items that have no names!

### Children in Need

Friday 16 November

On-going

Spinney
