SCHOOL
FOR GIRLS

Headmaster: Mr Alan Whelpdale BA, PGCE, NPQH

20 May 2020

Dear Parents

Following the Government's announcement regarding the potential return to School for certain year groups from Monday 1st June, we have been planning the detailed logistics of welcoming back those girls in Years Foundation, Reception, Year 1 and Year 6. We have also started making plans for the part-time return of Years 10 and Year 12 at a later point in June. We know you will have many questions about the procedures for your daughter's return to School, whether that will take place on 1 June, or a little later in the term. Please let me assure you that the safety of our pupils and staff must be paramount.

We have therefore created the attached FAQs document which, we hope, will answer many of your questions and support your decision making about your daughter's return to School. It would be helpful if, once you have digested the information provided, parents of girls in Foundation, Reception, Year 1 and Year 6 could advise the School if they are planning on their daughter returning to School on 1st June. This will support our planning for a smooth return for the girls and staff. Please could you email enquiries@leicesterhigh.co.uk with your daughter's name, year group and whether she will be returning from the 1st June.

Girls in year groups who have not yet been given a date to return to school will continue to receive high-quality teaching remotely, throughout the remainder of the Summer Term.

We will continue to provide supervision for the children of key workers in any year group for the rest of the Summer Term, including over the May half-term break (we will not be open on Bank Holiday Monday 25th May). Provision will be made for them to complete their work in School.

You will appreciate the information provided to Schools about further year groups returning so far has been very limited. We will, of course, keep parents fully informed as the Government provides further information.

Can I take this opportunity to, once again, thank you for your continuing support of the School as we navigate this unfamiliar terrain together.

With every good wish

Alan Whelpdale
Headmaster
