SCHOOL
FOR GIRLS

Headmaster: Mr Alan Whelpdale BA, PGCE, NPQH

15 September 2020

Dear Parents

Owing to the rise in COVID-19 cases, I thought it might be helpful to clarify the process parents will need to follow when informing the School of your daughter's positive test result.

During normal School hours (8.00 am to 4.00 pm), please contact Reception, in the usual way, by calling 0116 270 5338.

Outside of School hours and during the holidays, please email the School on: **positive@leicesterhigh.co.uk**. This email address must only be used to inform the School of a positive test result outside of School hours.

The School will then follow Government guidance and inform Public Health England who will advise us on the next appropriate step.

May I also take this opportunity to ask all parents to follow the most recent Government guidance outside of School. This is essential if we are to safeguard our community. It is also crucial that our students remain in School for as long as possible. However, I would like to reassure parents that if we do have to return to remote teaching, our education provision will remain robust and of a high quality, which are synonymous with Leicester High School.

As you know, the Coronavirus testing facilities are currently facing enormous pressure owing to unprecedented levels of demand. According to Government guidance, you should **only** access a test if you are displaying one or more of the main Coronavirus symptoms.

It is vital that we work together to ensure that we all remain safe and well. Leicester High prides itself on the cooperation of our parent body. Thank you for your continued support.

Yours sincerely

Alan Whelpdale
Headmaster
