SCHOOL
FOR GIRLS

Headmaster: Mr Alan Whelpdale BA, PGCE, NPQH

21 September 2020

Dear Parents

We understand that, during these difficult times, our parents and girls need to be confident that LHS will continue to provide a high quality and robust education, whatever circumstances we may face.

If your daughter is unable to attend School due to self-isolation, remote learning will be provided. This will follow the usual School timetable to ensure your daughter's learning is uninterrupted.

In our Senior School, teaching staff will set work for each lesson by 9.00 am each day, via our online Show My Homework system.

Most lessons will take place live, via Microsoft Teams. However, there may be times when teachers set work via another method if they deem it more appropriate for the learning taking place, and to ensure girls continue to receive a variety of learning experiences, as they would in School.

Please see the attached guidelines for remote learning in the Senior School for further details.

Pastoral support will continue to be provided through contact with your daughter's Form Tutor and Head of Year. In the event of a whole Year Group self-isolating, we will provide Year Group Assemblies remotely. Our School Nurse is also available to answer any queries or concerns, through email, telephone or Teams meetings.

We remain committed to remaining open to as many girls as possible for as long as possible, however, we hope this information will help to reassure you of the measures we have in place.

Yours sincerely

Danni Solly
Assistant Headteacher – Teaching and Learning
