SCHOOL
FOR GIRLS

29 January 2021

Dear Parents

First of all, I hope you are keeping well and safe in these difficult times.

February Half term

Following communication from the DfE earlier this week, we will be following their guidance and closing the School, including for Foundation Class and the children of keyworkers, for the February half-term week. I hope you and your daughters can take some time during the week to relax and enjoy some quality family time.

We will reopen for keyworker pupils and Foundation Class, and restart remote learning, on Monday 22 February.

School Reopening for all Pupils

You may have heard the Prime Minister's announcement regarding plans for returning all pupils to School. The Government will announce their plans for the reopening of schools on 22 February. They have confirmed that pupils will not be returning to School immediately after the February half-term, as previously hoped. Currently, they are hoping that pupils will be able to begin to return to School from Monday 8 March. However, at this stage, it is not clear if this will apply to all year groups. We will, of course, keep you updated with information as soon as it becomes available.

With every good wish.

Yours sincerely

Alan Whelpdale
Headmaster
