

Second hand uniform

Second hand uniform is organised by the Receptionist, who is located in the school office.

Recycling your old uniform is very much appreciated as it enables parents to buy good quality uniform at reasonable prices and to sell uniform they no longer require.

Money raised has been used to buy useful items for all departments including musical instruments, sports kit and equipment, computers and software and outdoor play equipment.

If you would like to buy second hand uniform or have any queries, please contact:
