SCHOOL
FOR GIRLS

Things to remember to bring in each week

Monday – Home Activity Book / Show and Tell / Letter sound object

Tuesday – PE Kit (these usually stay in school until half term)

Wednesday – Library Book

- **Show and tell** items can be brought into school on Monday – it helps us if you can write a note about it in the home / school communication book. In these early days the girls can sometimes need prompting to talk about their object or experience..
- In our **topic** work we are beginning to talk about Autumn harvest celebrations. In music we are practising our song for the harvest celebration held in school on Friday 29th September – you are welcome to attend.
- In our **mark making** activities the girls are beginning to learn how to trace along a line, how to hold the pencil correctly and how to trace their name using the correct letter formation.
- In **Maths** we will be sorting objects by colour, size and shape.
- The girls are bring home their **Home Activity Book** for the first time today. There is a letter inside the book explaining the activity in full.

This week our focus letter sound is 'm'.

Please could your daughter bring in one small item from home that begins with the sound so that we can discuss and share it together in class during our phonics session on Monday.

Autumn Week 3 2017
