

Foundation Class Curriculum Information

Monday 25th September – Individual School Photos – everyone needs to wear their winter uniform and school blazer. If your daughter does not normally attend on a Monday you are welcome to bring them in at 8.30am so they can have their photo taken.

Friday 29th September – Harvest Assembly 2.30pm – you are welcome to attend. If your daughter does not normally attend on a Friday they are welcome to come in at 2.15pm so that they can join in.

- This week our **PSED** focus looks at harvest time and is based around the story - The Little Red hen. In **Literacy** we will be encouraging the girls to retell the story using story props.
- Our **Maths** focus for the week is measuring. The girls will be measuring their height and their feet. We will also be using feet as a non-standard measuring tool to measure various distances in the playground.
- The girls will also be using their feet to create footprints and continue to explore our outdoor role play area – A shoe shop.
- In **PE** the girls will continue to practise throwing and catching a large ball and joining in with ring games.
- During our weekly visit to the Spinney the girls will be able to explore the woodland area using binoculars and magnifying glasses.

This week our focus letter sound is 'a'.

- Please could your daughter bring in one small item from home that begins with the sound so that we can discuss and share it together in class during our phonics session on Monday.
