

Foundation Class Curriculum Information

As the weather is turning colder please can you send in a named hat, scarf and pair of mittens everyday for your daughter.

Wednesday 15th November – Trip to David Attenborough Arboretum – more details below

Friday 17th November – Children in Need non uniform day – please can you let girls wear their disco outfit if they are going after school. Please can they wear sensible shoes during the day (they can send in disco shoes in a bag).

- For our topic we will be looking at Autumn colours linked to our trip to the Arboretum. We will send home PE kits on Tuesday so the girls can wear these to school on Wednesday for the trip, as well as hats, scarves and mittens. Packed lunches are provided by the school so the girls only need their usual water bottle.
- In Literacy we will be continuing to look at the story about Noah's Ark and the creation of a beautiful rainbow, retelling the story using props.
- In Maths we will be focusing on numbers – counting, recognising and ordering numbers. We will also talk about more or less when comparing groups of objects.
- Please could your daughter bring in one small item from home that begins with the sound of the week so that we can discuss and share it together in class during our phonics session on Monday.

This week our focus letter sound is 'n'.
